

**§ 105-282.1. Applications for property tax exemption or exclusion; annual review of property exempted or excluded from property tax.**

(a) Application. – Every owner of property claiming exemption or exclusion from property taxes under the provisions of this Subchapter has the burden of establishing that the property is entitled to it. If the property for which the exemption or exclusion is claimed is appraised by the Department of Revenue, the application shall be filed with the Department. Otherwise, the application shall be filed with the assessor of the county in which the property is situated. An application must contain a complete and accurate statement of the facts that entitle the property to the exemption or exclusion and must indicate the municipality, if any, in which the property is located. Each application filed with the Department of Revenue or an assessor shall be submitted on a form approved by the Department. Application forms shall be made available by the assessor and the Department, as appropriate.

Except as provided below, an owner claiming an exemption or exclusion from property taxes must file an application for the exemption or exclusion annually during the listing period:

(1) No application required. – Owners of the following exempt or excluded property do not need to file an application for the exemption or exclusion to be entitled to receive it:

a. Property exempt from taxation under G.S. 105-278.1 or G.S. 105-278.2(b).

b. Special classes of property excluded from taxation under G.S. 105-275(15), (16), (26), (31), (32a), (33), (34), (37), (40), (42), or (44).

c. Property classified for taxation at a reduced valuation under G.S. 105-277(g) or G.S. 105-277.9.

(2) Single application required. – An owner of one or more of the following properties eligible for a property tax benefit must file an application for the benefit to receive it. Once the application has been approved, the owner does not need to file an application in subsequent years unless new or additional property is acquired or improvements are added or removed, necessitating a change in the valuation of the property, or there is a change in the use of the property or the qualifications or eligibility of the taxpayer necessitating a review of the benefit. The properties are as follows:

a. Property exempted from taxation under G.S. 105-278.2(a), 105-278.3, 105-278.4, 105-278.5, 105-278.6, 105-278.7, or 105-278.8.

b. Special classes of property excluded from taxation under G.S. 105-275(3), (7), (8), (12), (17), (18), (19), (20), (21), (31e), (35), (36), (38), (39), (41), (45), (46), (47), (48), or (49) or under G.S. 131A-21.

c. Special classes of property classified for taxation at a reduced valuation under G.S. 105-277(h), 105-277.02, 105-277.1, 105-277.1C, 105-277.10, 105-277.13, 105-277.14, 105-277.15, 105-277.17, or 105-278.

d. Property owned by a nonprofit homeowners' association but where the value of the property is included in the appraisals of property owned by members of the association under G.S. 105-277.8.

(a1) Late Application. – Upon a showing of good cause by the applicant for failure to make a timely application, an application for exemption or exclusion filed after the close of the listing period may be approved by the Department of Revenue, the board of equalization and review, the board of county commissioners, or the governing body of a municipality, as appropriate. An untimely application for exemption or exclusion approved under this subsection applies only to property taxes levied by the county or municipality in the calendar year in which the untimely application is filed.

(b) Approval and Appeal Process. – The Department of Revenue or the assessor to whom an application for exemption or exclusion is submitted must review the application and either approve or deny the application. Approved applications shall be filed and made available to all taxing units in which the exempted or excluded property is situated. If the Department denies an application for exemption or exclusion, it shall notify the taxpayer, who may appeal the denial to the Property Tax Commission.

If an assessor denies an application for exemption or exclusion, the assessor must notify the owner of the decision and the owner may appeal the decision to the board of equalization and review or the board of county commissioners, as appropriate, and from the county board to the Property Tax Commission. If the notice of denial covers property located within a municipality, the assessor shall send a copy of the notice and a copy of the application to the governing body of the municipality. The municipal governing body shall then advise the owner whether it will adopt the decision of the county board or require the owner to file a separate appeal with the municipal governing body. In the event the owner is required to appeal to the municipal governing body and that body renders an adverse decision, the owner may appeal to the Property Tax Commission. Nothing in this subsection shall prevent the governing body of a municipality from denying an application which has been approved by the assessor or by the county board provided the owner's rights to notice and hearing are not abridged. Applications handled separately by a municipality shall be filed in the office of the person designated by the governing body, or in the absence of such designation, in the office of the chief fiscal officer of the municipality.

(c) Discovery of Property. – When an owner of property that may be eligible for exemption or exclusion neither lists the property nor files an application for exemption or exclusion, the assessor or the Department of Revenue, as appropriate, shall

proceed to discover the property. If, upon appeal, the owner demonstrates that the property meets the conditions for exemption or exclusion, the body hearing the appeal may approve the exemption or exclusion. Discovery of the property by the Department or the county shall automatically constitute a discovery by any taxing unit in which the property has a taxable situs.

**§ 105-275. Property classified and excluded from the tax base.**

The following classes of property are designated special classes under Article V, Sec. 2(2), of the North Carolina Constitution and are excluded from tax:

- (3) Real and personal property owned by nonprofit water or nonprofit sewer associations or corporations.
- (7) Real and personal property that is:
  - a. Owned either by a nonprofit corporation formed under the provisions of Chapter 55A of the General Statutes or by a bona fide charitable organization, and either operated by such owning organization or leased to another such nonprofit corporation or charitable organization, and
  - b. Appropriated exclusively for public parks and drives.
- (8)
  - a. Real and personal property that is used or, if under construction, is to be used exclusively for air cleaning or waste disposal or to abate, reduce, or prevent the pollution of air or water (including, but not limited to, waste lagoons and facilities owned by public or private utilities built and installed primarily for the purpose of providing sewer service to areas that are predominantly residential in character or areas that lie outside territory already having sewer service), if the Department of Environmental Quality or a local air pollution control program for air-cleaning devices located in an area where the Environmental Management Commission has certified a local air pollution control program pursuant to G.S. 143-215.112 furnishes a certificate to the tax supervisor of the county in which the property is situated or to be situated stating that the Environmental Management Commission or local air pollution control program has found that the described property:
    1. Has been or will be constructed or installed;
    2. Complies with or that plans therefor which have been submitted to the Environmental Management Commission or local air pollution control program indicate that it will comply with the requirements of the Environmental Management Commission or local air pollution control program;
    3. Is being effectively operated or will, when completed, be required to operate in accordance with the terms and conditions of the permit, certificate of approval, or other document of approval issued by the Environmental Management Commission or local air pollution control program; and
    4. Has or, when completed, will have as its primary rather than incidental purpose the reduction of water pollution resulting from the discharge of sewage and waste or the reduction of air pollution resulting from the emission of air contaminants.
  - a1. Sub-subdivision a. of this subdivision shall not apply to an animal waste management system, as defined in G.S. 143-215.10B, unless the Environmental Management Commission determines that the animal waste management system will accomplish all of the following:
    1. Eliminate the discharge of animal waste to surface waters and groundwater through direct discharge, seepage, or runoff.
    2. Substantially eliminate atmospheric emissions of ammonia.
    3. Substantially eliminate the emission of odor that is detectable beyond the boundaries of the parcel or tract of land on which the farm is located.
    4. Substantially eliminate the release of disease-transmitting vectors and airborne pathogens.
    5. Substantially eliminate nutrient and heavy metal contamination of soil and groundwater.
  - a2. Notwithstanding sub-subdivision a1. of this subdivision, sub-subdivision a. of this subdivision applies to a farm digester system as defined in G.S. 143-213(12a).
  - b. Real or personal property that is used or, if under construction, is to be used exclusively for recycling or resource recovering of or from solid waste, if the Department of Environmental Quality furnishes a certificate to the tax supervisor of the county in which the property is situated stating the Department of Environmental Quality has found that the described property has been or will be constructed or installed, complies or will comply with the rules of the Department of Environmental Quality, and has, or will have as its primary purpose recycling or resource recovering of or from solid waste.
  - c. Tangible personal property that is used exclusively, or if being installed, is to be used exclusively, for the prevention or reduction of cotton dust inside a textile plant for the protection of the health of the employees of the plant, in accordance with occupational safety and health standards adopted by the State of North Carolina pursuant to Article

16 of G.S. Chapter 95. Notwithstanding the exclusive use requirement of this sub-subdivision, all parts of a ventilation or air conditioning system that are integrated into a system used for the prevention or reduction of cotton dust, except for chillers and cooling towers, are excluded from taxation under this sub-subdivision. The Department of Revenue shall adopt guidelines to assist the tax supervisors in administering this exclusion.

d. Real or personal property that is used or, if under construction, is to be used by a major recycling facility as defined in G.S. 105-129.25 predominantly for recycling or resource recovering of or from solid waste, if the Department of Environmental Quality furnishes a certificate to the tax supervisor of the county in which the property is situated stating the Department of Environmental Quality has found that the described property has been or will be constructed or installed for use by a major recycling facility, complies or will comply with the rules of the Department of Environmental Quality, and has, or will have as a purpose recycling or resource recovering of or from solid waste.

(12) Real property that (i) is owned by a nonprofit corporation or association organized to receive and administer lands for conservation purposes, (ii) is exclusively held and used for one or more of the purposes listed in this subdivision, and (iii) produces no income or produces income that is incidental to and not inconsistent with the purpose or purposes for which the land is held and used. The taxes that would otherwise be due on land classified under this subdivision shall be a lien on the real property of the taxpayer as provided in G.S. 105-355(a). The taxes shall be carried forward in the records of the taxing unit or units as deferred taxes. The deferred taxes for the preceding five fiscal years are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral as a result of a disqualifying event. A disqualifying event occurs when the property (i) is no longer exclusively held and used for one or more of the purposes listed in this subdivision, (ii) produces income that is not incidental to and consistent with the purpose or purposes for which the land is held and used, or (iii) is sold or transferred without an easement recorded at the time of sale that requires perpetual use of the land for one or more of the purposes listed in this subdivision and that prohibits any use of the land that would generate income that is not incidental to and consistent with the purpose or purposes for which the land is held and used. In addition to the provisions in G.S. 105-277.1F, all liens arising under this subdivision are extinguished upon the real property being sold or transferred to a local, state, or federal government unit for conservation purposes or subject to an easement recorded at the time of sale that requires perpetual use of the land for one or more of the purposes listed in this subdivision. The purposes allowed under this subdivision are any of the following:

a. Used for an educational or scientific purpose as a nature reserve or park in which wild nature, flora and fauna, and biotic communities are preserved for observation and study. For purposes of this sub-subdivision, the terms "educational purpose" and "scientific purpose" are defined in G.S. 105-278.7(f).

b. Managed under a written wildlife habitat conservation agreement with the North Carolina Wildlife Resources Commission.

c. Managed under a forest stewardship plan developed by the Forest Stewardship Program.

d. Used for public access to public waters or trails.

e. Used for protection of water quality and subject to a conservation agreement under the provision of the Conservation and Historic Preservation Agreements Act, Article 4, Chapter 121 of the General Statutes.

f. Held by a nonprofit land conservation organization for sale or transfer to a local, state, or federal government unit for conservation purposes.

(17) Real and personal property belonging to the American Legion, Veterans of Foreign Wars, Disabled American Veterans, or to any similar veterans organizations chartered by the Congress of the United States or organized and operated on a statewide or nationwide basis, and any post or local organization thereof, when used exclusively for meeting or lodge purposes by said organization, together with such additional adjacent real property as may be necessary for the convenient and normal use of the buildings thereon. Notwithstanding the exclusive-use requirement hereinabove established, if a part of a property that otherwise meets this subdivision's requirements is used for a purpose that would require that it not be listed, appraised, assessed or taxed if the entire property were so used, that part, according to its value, shall not be listed, appraised, assessed or taxed. The fact that a building or facility is incidentally available to and patronized by the general public, so far as there is no material amount of business or patronage with the general public, shall not defeat the classification granted by this section.

(18) Real and personal property belonging to the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, the Prince Hall Masonic Grand Lodge of North Carolina, their subordinate lodges and appendant bodies including the Ancient and Arabic Order Nobles of the Mystic Shrine, and the Ancient Egyptian Order Nobles of the Mystic Shrine, when used exclusively for meeting or lodge purposes by said organization, together with such additional adjacent real property as may be necessary for the convenient normal use of the buildings thereon. Notwithstanding the exclusive-use requirement hereinabove established, if a part of a property that otherwise meets this subdivision's requirements is used for a purpose that would require that it not be listed, appraised, assessed or taxed if the entire property were so used, that part, according to its value, shall not be listed, appraised, assessed or taxed. The fact that a building or facility is incidentally available to and patronized by the general public, so far as there is no material amount of business or patronage with the general public, shall not defeat the classification granted by this section.

(19) Real and personal property belonging to the Loyal Order of Moose, the Benevolent and Protective Order of Elks, the Knights of Pythias, the Odd Fellows, the Woodmen of the World, and similar fraternal or civic orders and organizations operated for nonprofit benevolent, patriotic, historical, charitable, or civic purposes, when used exclusively for meeting or lodge purposes by the organization, together with as much additional adjacent real property as may be necessary for the convenient normal use of the buildings. Notwithstanding the exclusive-use requirement of this subdivision, if a part of a property that otherwise meets this subdivision's requirements is used for a purpose that would require that it not be listed, appraised, assessed, or taxed if the entire property were so used, that part, according to its value, shall not be listed, appraised, assessed, or taxed. The fact that a building or facility is incidentally available to and patronized by the general public, so far as there is no material amount of business or patronage with the general public, shall not defeat the classification granted by this section. Nothing in this subdivision shall be construed so as to include social fraternities, sororities, and similar college, university, or high school organizations in the classification for exclusion from ad valorem taxes.

(19a) Improvements to real property that are (i) owned by social fraternities, sororities, and similar college, university, or high school organizations and (ii) located on land owned by or allocated to The University of North Carolina or one of its constituent institutions.

(20) Real and personal property belonging to Goodwill Industries and other charitable organizations organized for the training and rehabilitation of disabled persons when used exclusively for training and rehabilitation, including commercial activities directly related to such training and rehabilitation.

(46) Real and personal property that is occupied by a charter school and is wholly and exclusively used for educational purposes as defined in G.S. 105-278.4(f), regardless of the ownership of the property.

(48) Real and personal property located on lands held in trust by the United States for the Eastern Band of Cherokee Indians, regardless of ownership.

**§ 105-277.13. Taxation of improvements on brownfields.**

(a) Qualifying improvements on brownfields properties are designated a special class of property under Article V, Sec. 2(2) of the North Carolina Constitution and shall be appraised, assessed, and taxed in accordance with this section. An owner of land is entitled to the partial exclusion provided by this section for the first five taxable years beginning after completion of qualifying improvements made after the later of July 1, 2000, or the date of the brownfields agreement. After property has qualified for the exclusion provided by this section, the assessor for the county in which the property is located shall annually appraise the improvements made to the property during the period of time that the owner is entitled to the exclusion.

(b) For the purposes of this section, the terms "qualifying improvements on brownfields properties" and "qualifying improvements" mean improvements made to real property that is subject to a brownfields agreement entered into by the Department of Environmental Quality and the owner pursuant to G.S. 130A-310.32.

(c) The following table establishes the percentage of the appraised value of the qualified improvements that is excluded based on the taxable year:

<u>Year</u>	<u>Percent of Appraised Value Excluded</u>
Year 1	90%
Year 2	75%
Year 3	50%
Year 4	30%
Year 5	10%.

(2000-158, s. 1; 2015-241, s. 14.30(u).)

**§ 105-278.2. Burial property.**

(a) Commercial Property. – Real property set apart for burial purposes that is owned and held for purposes of (i) sale or rental or (ii) sale of burial rights therein is exempt from taxation. A single application is required under G.S. 105-282.1 for property exempt under this subsection.

(b) Other Property. – Real property set apart for burial purposes not owned and held for a purpose listed in subsection (a) of this section is exempt from taxation. No application is required under G.S. 105-282.1 for property exempt under this subsection. A local government cannot deny the exemption provided under this subsection to a taxpayer that lacks a survey or plat detailing the exempt property.

(c) Terms. – For purposes of this section, the term "real property" includes land, tombs, vaults, monuments, and mausoleums, and the term "burial" includes entombment. (1973, c. 695, s. 4; 1987, c. 724; 2018-113, s. 15; 2021-180, s. 42.12(a).)

**§ 105-278.3. Real and personal property used for religious purposes.**

(a) Buildings, the land they actually occupy, and additional adjacent land reasonably necessary for the convenient use of any such building shall be exempted from taxation if wholly owned by an agency listed in subsection (c), below, and if:

- (1) Wholly and exclusively used by its owner for religious purposes as defined in subsection (d)(1), below; or
- (2) Occupied gratuitously by one other than the owner and wholly and exclusively used by the occupant for religious, charitable, or nonprofit educational, literary, scientific, or cultural purposes.

(b) Personal property shall be exempted from taxation if wholly owned by an agency listed in subsection (c), below, and if:

- (1) Wholly and exclusively used by its owner for religious purposes; or
- (2) Gratuitously made available to one other than the owner and wholly and exclusively used by the possessor for religious, charitable, or nonprofit educational, literary, scientific, or cultural purposes.

(c) The following agencies, when the other requirements of this section are met, may obtain exemption for their properties:

- (1) A congregation, parish, mission, or similar local unit of a church or religious body; or
- (2) A conference, association, presbytery, diocese, district, synod, or similar unit comprising local units of a church or religious body.

(d) Within the meaning of this section:

(1) A religious purpose is one that pertains to practicing, teaching, and setting forth a religion. Although worship is the most common religious purpose, the term encompasses other activities that demonstrate and further the beliefs and objectives of a given church or religious body. Within the meaning of this section, the ownership and maintenance of a general or promotional office or headquarters by an owner listed in subdivision (2) of subsection (c), above, is a religious purpose and the ownership and maintenance of residences for clergy, rabbis, priests or nuns assigned to or serving a congregation, parish, mission or similar local unit, or a conference, association, presbytery, diocese, district, synod, province or similar unit of a church or religious body or residences for clergy on furlough or unassigned, is also a religious purpose. However, the ownership and maintenance of residences for other employees is not a religious purpose for either a local unit of a church or a religious body or a conference, association, presbytery, diocese, district, synod, or similar unit of a church or religious body. Provided, however, that where part of property which otherwise qualifies for the exemption provided herein is made available as a residence for an individual who provides guardian, janitorial and custodial services for such property, or who oversees and supervises qualifying activities upon and in connection with said property, the entire property shall be considered as wholly and exclusively used for a religious purpose.

(2) A charitable purpose is one that has humane and philanthropic objectives; it is an activity that benefits humanity or a significant rather than limited segment of the community without expectation of pecuniary profit or reward. The humane treatment of animals is also a charitable purpose.

(3) An educational purpose is one that has as its objective the education or instruction of human beings; it comprehends the transmission of information and the training or development of the knowledge or skills of individual persons.

(4) A literary purpose is one that pertains to letters or literature, especially writing, publishing, and the study of literature. It includes the literature of the stage and screen as well as the performance or exhibition of works based on literature.

(5) A cultural purpose is one that is conducive to the enlightenment and refinement of taste acquired through intellectual and aesthetic training, education, and discipline.

(6) A scientific purpose is one that yields knowledge systematically through research, experimentation or other work done in one or more of the natural sciences.

(e) Notwithstanding the exclusive-use requirement of subsection (a), above, if part of a property that otherwise meets that subsection's requirements is used for a purpose that would require exemption if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(f) The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, shall not defeat the exemption granted by this section.

(g) The following exceptions apply to the exclusive-use requirement of subsection (a) of this section:

(1) If part, but not all, of a property meets the requirements of subsection (a) of this section, the valuation of the part so used is exempt from taxation.

(2) Any parking lot wholly owned by an agency listed in subsection (c) of this section may be used for parking without removing the tax exemption granted in this section if the total charge for parking uses does not exceed that portion of the actual maintenance expenditures for the parking lot reasonably estimated to have been made on account of parking uses. This subsection shall apply beginning with the taxable year that commences on January 1, 1978.

(3) A building and the land occupied by the building is exempt from taxation if it is under construction and intended to be wholly and exclusively used by its owner for religious purposes upon completion. For purposes of this subdivision, a building is under construction starting when a building permit is issued and ending at the earlier of (i) 90 days after a certificate of occupancy is issued or (ii) 180 days after the end of active construction. (1973, c. 695, s. 4; c. 1421; 1975, c. 848; 1977, c. 867; 2005-435, s. 59(a); 2015-185, s. 1(a).)

**§ 105-278.4. Real and personal property used for educational purposes.**

(a) Buildings. – Buildings, the land they actually occupy, and additional land reasonably necessary for the convenient use of any such building shall be exempted from taxation if all of the following requirements are met:

(1) Owned by either of the following:

a. An educational institution; or

b. A nonprofit entity for the sole benefit of a constituent or affiliated institution of The University of North Carolina, a nonprofit postsecondary educational institution as described in G.S. 116-280, a North Carolina community college, or a combination of these;

(2) The owner is not organized or operated for profit and no officer, shareholder, member, or employee of the owner or any other person is entitled to receive pecuniary profit from the owner's operations except reasonable compensation for services;

(3) Of a kind commonly employed in the performance of those activities naturally and properly incident to the operation of an educational institution such as the owner; and

(4) Wholly and exclusively used for educational purposes by the owner or occupied gratuitously by another nonprofit educational institution and wholly and exclusively used by the occupant for nonprofit educational purposes.

(b) Land. – Land (exclusive of improvements); and improvements other than buildings, the land actually occupied by such improvements, and additional land reasonably necessary for the convenient use of any such improvement shall be exempted from taxation if:

(1) Owned by an educational institution that owns real property entitled to exemption under the provisions of subsection (a), above;

(2) Of a kind commonly employed in the performance of those activities naturally and properly incident to the operation of an educational institution such as the owner; and

(3) Wholly and exclusively used for educational purposes by the owner or occupied gratuitously by another nonprofit educational institution (as defined herein) and wholly and exclusively used by the occupant for nonprofit educational purposes.

(c) Partial Exemption. – Notwithstanding the exclusive-use requirements of subsections (a) and (b), above, if part of a property that otherwise meets the requirements of one of those subsections is used for a purpose that would require exemption if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(d) Public Use. – The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, does not defeat the exemption granted by this section.

(e) Personal Property. – Personal property owned by a church, a religious body, or an educational institution shall be exempted from taxation if:

(1) The owner is not organized or operated for profit, and no officer, shareholder, member, or employee of the owner, or any other person is entitled to receive pecuniary profit from the owner's operations except reasonable compensation for services; and

(2) Used wholly and exclusively for educational purposes by the owner or held gratuitously by a church, religious body, or nonprofit educational institution other than the owner, and wholly and exclusively used for nonprofit educational purposes by the possessor.

(f) Definitions. – The following definitions apply in this section:

(1) Educational institution. – The term includes a university, a college, a school, a seminary, an academy, an industrial school, a public library, a museum, and similar institutions.

(2) Educational purpose. – A purpose that has as its objective the education or instruction of human beings; it comprehends the transmission of information and the training or development of the knowledge or skills of individual persons. The operation of a student housing facility, a student dining facility, a golf course, a tennis court, a sports arena, a similar sport property, or a similar recreational sport property for the use of students or faculty is also an

educational purpose, regardless of the extent to which the property is also available to and patronized by the general public. (1973, c. 695, s. 4; 1991 (Reg. Sess., 1992), c. 926, s. 1; 2004-173, s. 1; 2011-145, s. 9.18(f).)

**§ 105-278.5. Real and personal property of religious educational assemblies used for religious and educational purposes.**

(a) Buildings, the land they actually occupy, and additional adjacent land reasonably necessary for the convenient use of any such building or for the religious educational programs of the owner, shall be exempted from taxation if:

- (1) Owned by a religious educational assembly, retreat, or similar organization;
- (2) No officer, shareholder, member, or employee of the owner, or any other person is entitled to receive pecuniary profit from the owner's operations except reasonable compensation for services; and
- (3) Of a kind commonly employed in those activities naturally and properly incident to the operation of a religious educational assembly such as the owner; and
- (4) Wholly and exclusively used for
  - a. Religious worship or
  - b. Purposes of instruction in religious education.

(b) Notwithstanding the exclusive-use requirement of subsection (a), above, if part of a property that otherwise meets the subsection's requirements is used for a purpose that would require exemption if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(c) The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, shall not defeat the exemption granted by this section.

(d) Personal property owned by a religious educational assembly, retreat, or similar organization shall be exempted from taxation if it is exclusively maintained and used in connection with real property granted exemption under the provisions of subsection (a) or (b), above. (1973, c. 695, s. 4.)

**§ 105-278.6. Real and personal property used for charitable purposes.**

(a) Real and personal property owned by:

- (1) A Young Men's Christian Association or similar organization;
- (2) A home for the aged, sick, or infirm;
- (3) An orphanage or similar home;
- (4) A Society for the Prevention of Cruelty to Animals;
- (5) A reformatory or correctional institution;
- (6) A monastery, convent, or nunnery;
- (7) A nonprofit, life-saving, first aid, or rescue squad organization;
- (8) A nonprofit organization providing housing for individuals or families with low or moderate incomes

shall be exempted from taxation if: (i) As to real property, it is actually and exclusively occupied and used, and as to personal property, it is entirely and completely used, by the owner for charitable purposes; and (ii) the owner is not organized or operated for profit.

(b) A charitable purpose within the meaning of this section is one that has humane and philanthropic objectives; it is an activity that benefits humanity or a significant rather than limited segment of the community without expectation of pecuniary profit or reward. The humane treatment of animals is also a charitable purpose.

(c) The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, shall not defeat the exemption granted by this section.

(d) Notwithstanding the exclusive-use requirements of this section, if part of a property that otherwise meets the section's requirements is used for a purpose that would require exemption under subsection (a), above, if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(e) Real property held by an organization described in subdivision (a)(8) for a charitable purpose under this section as a future site for housing for individuals or families with low or moderate incomes may be classified under this section for no more than 10 years. The taxes that would otherwise be due on real property exempt under this subsection shall be a lien on the property as provided in G.S. 105-355(a). The taxes shall be carried forward in the records of the taxing unit as deferred taxes. The deferred taxes are due and payable in accordance with G.S. 105-277.1F when the property loses its eligibility for deferral as a result of a disqualifying event. A disqualifying event occurs when the property was not used for low- or moderate-income housing within 10 years from the first day of the fiscal year the property was classified under this subsection. In addition to the

provisions in G.S. 105-277.1F, all liens arising under this subdivision are extinguished when the property is used for low- or moderate-income housing within the time period allowed under this subsection. (1973, c. 695, s. 4; 1975, c. 808; 1993, c. 230, s. 1; 2008-35, s. 2.6; 2009-481, s. 2; 2010-95, s. 18; 2011-368, s. 1.)

**§ 105-278.7. Real and personal property used for educational, scientific, literary, or charitable purposes.**

(a) Buildings, the land they actually occupy, and additional adjacent land necessary for the convenient use of any such building shall be exempted from taxation if wholly owned by an agency listed in subsection (c), below, and if:

- (1) Wholly and exclusively used by its owner for nonprofit educational, scientific, literary, or charitable purposes as defined in subsection (f), below; or
- (2) Occupied gratuitously by an agency listed in subsection (c), below, other than the owner, and wholly and exclusively used by the occupant for nonprofit educational, scientific, literary, charitable, or cultural purposes.

(b) Personal property shall be exempted from taxation if wholly owned by an agency listed in subsection (c), below, and if:

- (1) Wholly and exclusively used by its owner for nonprofit educational, scientific, literary, or charitable purposes; or
- (2) Gratuitously made available to an agency listed in subsection (c), below, other than the owner, and wholly and exclusively used by the possessor for nonprofit educational, scientific, literary, or charitable purposes.

(c) The following agencies, when the other requirements of this section are met, may obtain property tax exemption under this section:

- (1) A charitable association or institution,
- (2) An historical association or institution,
- (3) A veterans' organization or association,
- (4) A scientific association or institution,
- (5) A literary association or institution,
- (6) A benevolent association or institution, or
- (7) A nonprofit community or neighborhood organization.

(d) Notwithstanding the exclusive-use requirements of subsection (a), above, if part of a property that otherwise meets the subsection's requirements is used for a purpose that would require exemption if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(e) The fact that a building or facility is incidentally available to and patronized by the general public, so long as there is no material amount of business or patronage with the general public, shall not defeat the exemption granted by this section.

(f) Within the meaning of this section:

- (1) An educational purpose is one that has as its objective the education or instruction of human beings; it comprehends the transmission of information and the training or development of the knowledge or skills of individual persons.
- (2) A scientific purpose is one that yields knowledge systematically through research, experimentation, or other work done in one or more of the natural sciences.
- (3) A literary purpose is one that pertains to letters or literature, especially writing, publishing, and the study of literature. It includes the literature of the stage and screen as well as the performance or exhibition of works based on literature.
- (4) A charitable purpose is one that has humane and philanthropic objectives; it is an activity that benefits humanity or a significant rather than limited segment of the community without expectation of pecuniary profit or reward. The humane treatment of animals is also a charitable purpose.
- (5) A cultural purpose is one that is conducive to the enlightenment and refinement of taste acquired through intellectual and aesthetic training, education, and discipline. (1973, c. 695, s. 4; 1995 (Reg. Sess., 1996), c. 646, s. 15; 2005-435, ss. 59(b), 59(c).)

**§ 105-278.8. Real and personal property used for charitable hospital purposes.**

(a) Real and personal property held for or owned by a hospital organized and operated as a nonstock, nonprofit, charitable institution (without profit to members or their successors) shall be exempted from taxation if actually and exclusively used for charitable hospital purposes.

(b) Notwithstanding the exclusive-use requirements of subsection (a), above, if part of a property that otherwise meets that subsection's requirements is used for a purpose that would require exemption under that subsection if the entire property were so used, the valuation of the part so used shall be exempted from taxation.

(c) Within the meaning of this section, a charitable hospital purpose is a hospital purpose that has humane and philanthropic objectives; it is a hospital activity that benefits humanity or a significant rather than limited segment of the community without expectation of pecuniary profit or reward. However, the fact that a qualifying hospital charges patients who are able to pay for services rendered does not defeat the exemption granted by this section. (1973, c. 695, s. 4.)
